## Mise en place! (Everything in its place)

### Directions

1. Drain water from tofu and set on plate. Place 2 paper towels on top of tofu and place 2<sup>nd</sup> plate on top. Weigh down with heavy pan or place a couple of canned goods on top of plate. Let sit 10 minutes to drain tofu.
2. Cut tofu into rectangles by lying first on long narrow side and slicing into thirds, then lay flat on widest side and cut in half lengthwise. Finish by making 2 cuts crosswise, creating 3 layers of 6 pieces each.
3. Heat about 2 Tablespoons olive oil in non stick pan until hot.
4. Season tofu well with salt and pepper.
5. Carefully lay tofu in hot oil, leaving some space between pieces. Fry over medium heat until it develops a golden crust, about 5 minutes. Turn and repeat on other side. Continue with all pieces of tofu. Set aside.
6. While tofu is cooking, start prepping turkey by adding 1 Tablespoon soy sauce. Add salt, pepper and red pepper flakes to taste. Mix well.
7. Heat 2-3 Tablespoons olive oil in a deep skillet.
8. Add turkey mixture and cook through until it is no longer pink.
